

## Seal Class Homework Menu – Autumn 1

Over the next half term please complete at least 4 pieces of work from the homework menu.

All homework due in by **Friday 17<sup>th</sup> October** for homework presentations.

Calixte Dakpogan is an artist who makes masks out of diverse and original found

resources. Research his masks and have a go at making one in a similar style. How does it compare to Romuald Hazoume's masks?

In history we are learning about 1600's London. What can you find out about The Plague? Present this in a leaflet.

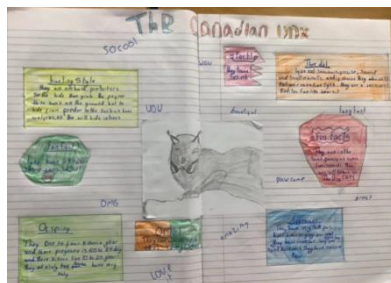

What else can you find out about 1600's London?

**Ideas:** toys, medicine, jobs, parliament.

In science we are learning about animals and what they need to survive.

Research an animal of your choice and create a fact file, including what this animal needs for survival.

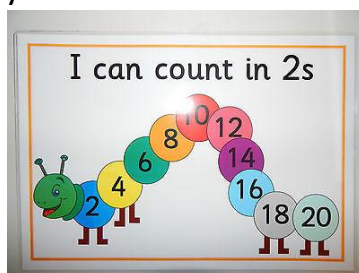

An **idea** of your own...

Write a description of a well-known character or celebrity without mentioning their name. We will share them in class and see if anyone can guess who you have described.

Practise counting in your 2s and 5s. For homework presentations, you will have the chance to say them in front of the class.

**Reading for Pleasure:**

***YOU are a reader.***  
*As well as books, what and where can you read?*

Use your desktop publishing skills to create a welcome poster for Seals class.
