

ENGLISH

This term our English units will focus on the traditional tale of Jack and the Beanstalk. We will write our own retelling as well as using the story as a stimulus for instructions and recounts.

COMPUTING

Our computing unit this term will be using Word software to learn desktop publishing skills including changing font size, colour and adding images.

SCIENCE

In science this term our unit is Properties and Changes in Materials. We will focus on comparing and grouping materials based on their properties including magnetism, transparency, solubility and more.

PE

This term our PE unit will be tennis skills. Children will learn to begin and maintain a rally.

PSHE

PSHE this term will focus on keeping ourselves healthy. We will be thinking about sleep, dental hygiene and what can help us when we feel poorly.

Shark Class Curriculum Overview: Autumn 1

Miss Bane &
Mrs Johnson

SPELLING and READING

Termly spellings are given out at the beginning of the half term.

Spelling tests are on Wednesday.

HOMEWORK

At the beginning of each new half term, a homework menu of additional tasks is sent home with an end of term deadline.

MATHS

In maths this half term we will be focusing on properties of number and consolidating the use of the four operations.

ART & DESIGN

In Art this term, we will be exploring the print work of Andy Warhol. We will focus on creating a repeated pattern of prints using an object from current pop culture.

LANGUAGES

This half term, our German lessons will focus on identifying and using body part vocabulary. We will also revise vocabulary for colours and numbers.

HISTORY

Our history unit this term is a study of the ancient civilisation of the Indus Valley. We will study the formation of its settlements, consider its achievements and compare it to Britain's bronze age.

RE

In RE this term, we will be learning about key stories in different holy books and identifying similarities and differences in their texts and morals.
