

ENGLISH

This term we will be inspired by the Wizard of Oz to write character descriptions, setting descriptions and plan our own portal stories.

COMPUTING

Our computing unit this term will be using Scratch programming tools to begin using loop repetition.

SCIENCE

In science this term we will continue to study materials and their properties. We will compare reversible and irreversible changes and explore different methods for separating materials and mixtures.

PE

This term our PE unit will be dance where we will compose independent and collaborative dances using transitions, controlled movement and an awareness of space.

PSHE

Our PSHE unit this term continues to focus on keeping ourselves healthy. We will learn about spotting illnesses, medicines and using them properly and the impact of devices on our health.

Shark Class Curriculum Overview: **Autumn 2**

Miss Bane &
Mrs Johnson

SPELLING and READING

Termly spellings are given out at the beginning of the half term.

Spelling tests are on Tuesday.

HOMEWORK

At the beginning of each new half term, a homework menu of additional tasks is sent home with an end of term deadline.

MATHS

In maths this half term we will be focused on developing our skills with fractions and learning about their relationship to decimals and percentages.

ART & DESIGN

In Art this term, we will be inspired by the sketches of ballerinas by Degas. We will use his work as a stimulus to explore using charcoal and drawing from life.

LANGUAGES

This half term, our German lessons will consolidate parts of the body. We will then move on to our new unit where we will be describing emotions.

GEOGRAPHY

This term our geography topic focuses on the equator and how being close to the equator may change the geographical features, climate and biomes of an area.

RE

In RE this term, we will continue to learn key stories in different holy books and identifying their morals, similarities and differences.
