

ENGLISH

In English this half term we will be using Grandad's Island as inspiration for our writing. We will be learning how to write a persuasive piece of writing, and use this to create a holiday brochure for our own island. We will then write a recount for our time on the island.

COMPUTING

This half term, our topic in computing is connecting computers. We will be learning about computer systems and networks.

SCIENCE

Our topic for this half term is plants. We will be learning about different parts of plants and what they do and what is required in order for seeds to grow.

PE

In PE we will be learning different breathing techniques and exploring how we can move our bodies to music in different ways to express our emotions. We will also look at yoga and Pilates and how these can be mindful activities. Your child will need to be in their PE kit every Wednesday.

PSHE

This term in PSHE our topic is Relationships – Hurtful Behaviour. We will be learning about how others may feel if they experience hurtful behaviour and what to do if we experience it ourselves.

Seal Class Curriculum Overview: **Spring 2**

Miss Hall, Miss Reid
& Mrs Scott

SPELLING and READING

Weekly spellings are given out each Monday. The class's spelling quiz will be every Thursday. Miss Green's and Miss Johnson's spelling groups will have a **spelling test on Fridays**. Reading books and library books are changed every Wednesday.

HOMEWORK

At the beginning of each new half term, a homework menu of additional tasks is sent home with an end of term deadline.

MATHS

This half term we will revisit the four operations; addition, subtraction, multiplication and division. We will be practising the method for solving all four operations on a number line so that we are secure with this and can begin to use bigger numbers. We will also be revisiting measurement, but this time looking at converting units and time.

ART & DESIGN

In Art and Design this half term, we will be making a pop-up book. We will explore different techniques that can be used to make a pop-up book and combining some of these to create our own pop-up book.

LANGUAGES

This half term, the year 3 Seals will continue to learn German with Miss Bane.

Geography

This half term, our topic is Maps. We will use maps to identify human and natural key features, looking closely at the keys. We will be using maps to see how much we can find out about an area. We will also be learning how to make our own maps and will map the school and local area.

RE

This half term our topic is places of worship. We will be looking at different religions and comparing the places they worship in.
