

ENGLISH

In English this half term we will be reading Theseus and the Minotaur. We will be studying the characters within a myth, writing about them and also creating our own mythical characters. We will be learning about the features of a myth and write our own.

COMPUTING

This half term, our topic in computing is 3D modelling. We will be learning to use software to construct shapes and drawings in three dimensions.

SCIENCE

Our topic for this half term is rocks. We will be learning how rocks and fossils are formed. We will also be learning about different types of rocks and comparing their properties.

PE

Our topic in PE this half term is throwing and jumping. We will be practising our throwing technique and learn different styles of jumping.

PSHE

In PSHE we will be learning how to be a responsible member of the community. We will be looking at the reasons for rules and laws and the importance of following these in order to be respectful and compassionate towards others.

Seal Class Curriculum Overview: **Summer 1**

Miss Hall, Miss Reid
& Mrs Scott

SPELLING and READING

Weekly spellings are given out each Monday. The class's spelling quiz will be every Thursday. Miss Green's and Miss Johnson's spelling groups will have a **spelling test on Fridays**. Reading books and library books are changed every Wednesday.

HOMEWORK

At the beginning of each new half term, a homework menu of additional tasks is sent home with an end of term deadline.

MATHS

This half term we will be looking at shape, space and measure. We will learn how to measure the perimeter of a shape and convert units. We will also further our knowledge in shape properties as well as recapping the four operations.

ART & DESIGN

In Art and Design this half term, we will be learning about Beverly Buchanan. We will be researching her as an artist, particularly focusing on her sculptural-shacks. After research, planning and drawing we will have a go at making our own.

LANGUAGES

This half term, the year 3 Seals will continue to learn German with Miss Bane.

History

This half term, our topic is Ancient Greek History. We will be learning about key events in Ancient Greece, look at their achievements and look at the origins of the Olympics. We will also be learning about Alexander the Great and comparing the city states of Athens and Sparta.

RE

This half term our topic is holy books. We will be looking at different religions and the books that are important to them. We will compare holy books across religions to look at any similarities and differences between them.
