

Seal Class Homework Menu – Spring 1

Over the next half term please complete at least **3 pieces of work** from the homework menu.

All homework due in the week beginning **9th February** for homework presentations to the class.

Scott had to endure challenging conditions on his expeditions to Antarctica. See if you can make a fact file about Antarctica, including information about why it is such a harsh environment.

Will you improve your Rock Status?
Spend time on Times Tables Rockstars or Numbots to improve your quick-fire maths skills!

Get creative with some measuring! I wonder if anyone can find out the length and weight of their pet.... Or maybe the length and weight of a raisin? Experiment with measure and let us know any surprising finds!

Design a fairytale villain. Most fairytales have an iconic villain who makes nasty choices. Often, they are witches or other monsters. If you had to design a fairytale villain, what would they look like? Write a description of them for an extra challenge!

An **idea** of your own...

If you have magnets on your fridge or around your home, use them with an adult to discover what else they can stick to. Will they stick to a radiator? What about a window?

Why is this the case?

Reading for Pleasure:

YOU are a reader.

Engage with a book, graphic novel, newspaper or digital article. Spark your reading passion.

Try to discover a mindfulness technique or strategy that you enjoy. This could mean taking time to do some stretches before bed, or writing one thing that has gone well each day for a week. Building healthy habits helps to strengthen our wellbeing!
