

Shark Class Homework Menu - Spring 2

Here are ideas to inspire you to continue your learning outside of school - be as creative as you want.

The moon changes shape every night if you look carefully. Can you keep a moon diary documenting what you see?

How can we stay safe in our local environment? What do you know about road safety, bike safety, sea safety?

Have you heard of Pangea? Find out more about tectonic plates, volcanoes or the Great Rift Valley.

Our DT this term will focus on levers and pulleys to create a fairground ride. Design, build or research...

An idea of your own...

Learn about a planet in our solar system, stars a far away galaxy or more about Earth and its orbit...

2026 is the National Year of Reading and it doesn't *just* mean books!

It's stories, ideas, information in print, digital or audio - from graphic novels to lyrics, articles and leaflets or podcasts and games.

Reignite your passion for reading.

Will you Go Green or improve your Rock Status?

Spend some time on TTRS.

Over the half term please complete **at least** 2 pieces of work from the homework menu.

All homework due in the week beginning 23rd March for presenting to the class.
