

## ENGLISH

Our writing this term continues to be inspired by 'The Wild Robot' where we will create an informal review of a robot. We will also explore the poetry of Langston Hughes.

## COMPUTING

Our computing unit this term will be using software to create branching databases.

## SCIENCE

This term, our science topic is focused on Earth and Space. We will learn about the movements of the Earth and how these are connected to the movements of the moon and sun.

## PE

In PE this term the Sharks will be swimming weekly and also completing a unit of PE focused on netball skills.

## PSHE

The theme of our PSHE topic this term is focused on keeping ourselves safe in our local area. We will be thinking about road safety, internet safety, sun safety and beach safety.

### READING & TTRS

Reading with your child is proven to improve their outcomes. Please try and read with your child weekly and write in their reading record.

Three minutes a day using Times Tables Rock Star can have a huge impact on your child's mathematics. Please encourage frequent use of this program.

## MATHS

In maths this half term we will be focused on statistics, position and direction and the properties of shape. We will continue to spend time daily focused on our arithmetic skills throughout these units.

## DESIGN & TECHNOLOGY

This term, our DT unit is focused on designing a fairground attraction using simple levers and pulleys.

## LANGUAGES

This half term, our German lessons will be focused on learning new vocabulary to describe how we are feeling.

## GEOGRAPHY

This term our geography unit focuses on the Earth's tectonic plates. We will explore how these have moved over millions of years and created the Great Rift Valley in Africa.

## RE

In RE this term, we will be continuing with the question Do all religions have an inspirational figure?
